§17.60.010. Short Title

This title shall be known as “Administrative Enforcement.” This Title shall also be known as Title 17 Chapter 60 of the Logan City Code. It may be cited and pleaded under either designation.

§17.60.020. Purpose

The Municipal Council finds that the enforcement of the Logan City Code and applicable state codes is an important public activity. Code enforcement is vital to the protection of the public’s health, safety, welfare, and quality of life. The Municipal Council recognizes that code enforcement is effective only when done quickly and fairly. The Municipal Council further finds that an enforcement system that allows a combination of judicial and administrative remedies is effective in correcting violations.

§17.60.030. Scope

The provisions of this Title may be applied to all violations of the Logan Municipal Code or applicable state codes which occur within Logan City limits and such territory outside Logan City limits over which the City has jurisdiction or control by virtue of any constitutional provision or law. This Title establishes an additional remedy that may be used by the City to achieve compliance with applicable codes.

§17.60.040. Existing Law Continued

The provisions of this Title shall not invalidate any other title, chapter, or ordinance of the Logan Municipal Code, but shall be read in conjunction with those titles, chapters, and ordinances and shall be used as additional remedy for enforcement of violations thereof.

§17.60.050. Criminal Prosecution Right

The City shall have sole discretion in deciding whether to file a civil or criminal judicial case or pursue an administrative enforcement action for the violation of any of its ordinances or applicable code requirements. The enactment of this Title shall not be construed to limit the City’s right to prosecute any violation as a criminal offense. If the City chooses to file both an administrative action and criminal charges for the same violation on the same day, no civil fees shall be assessed in the administrative action, but all other remedies contained herein shall be available.

§17.60.060. Effect of Headings

Title, chapter and section headings contained herein shall not be deemed to govern, limit, modify, or in any manner affect the scope, meaning, or intent of the provisions of this Title.

§17.60.070. Severability

If any section, subsection, sentence, clause, phrase, portion, or provision of this Title is, for any reason, held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Title. The Municipal Council hereby declares that it would have adopted this Title and each section, subsection, sentence, clause, phrase, portion, or provision thereof, irrespective of the fact that any one or more sections, subsections, clauses, phrases, portions, or provisions be declared invalid or unconstitutional. This section shall apply to all amendments made to this Title.

§17.60.080. Civil Liability

By establishing performance standards or by establishing obligations to act, it is the intent of the Municipal Council that Logan City employees and officers are exercising discretionary authority in pursuit of an essential governmental function and that any such standards or obligations shall not be construed as creating a ministerial duty for purposes of tort liability.
